MEDICINAL

Stomachs on Stills.

The man who puts on stills does not increase his actual stature by the breadth of a hair. He feels taller while he's on the stills, and when he's off them he feels shorter than he ever felt.

The need of the man with a weak stomach is not stimulation but strength. Dr. Pierce's Golden Medical Discovery perfectly answers that need. It cures the diseases of the digestive and nutritive system which make the stomach "weak." It enables the digestion and assimilation of food, so that the body receives the nutrition on which depends its strength.

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose. Therefore accept no substitute for "Golden Medical Discovery."

The sluggish liver is made active by the use of Dr. Pierce's Pleasant Pellets.

DECLARES PROTESTANTISM DEAD.
At St. Peter's Roman Catholic Church, in New York Sunday the sixteenth anniversary of his consecration was commemorated by Father Pardo, of St. Francis's Church, addressed the congregation.

Among other things he said fifty millions of people out of seventy-six millions in this country never attend church. In concluding his address Father Pardo said: "That all authority issues from God is the Catholic's great teaching, and we should put our souls more and more into the welfare of our public schools. In conclusion, St. Peter's Church is the rock upon which the Church has been built, and Protestantism is now dead. We now have to take up the fight against absolute unbelief."

Uncle Sam says it's all right

Uncle Sam, in the person of ten of his government officials, is always in charge of every department of our distillery. During the entire process of distillation, after the whiskey is stored in barrels in our warehouses, during the seven years it remains there, from the very grain we buy to the whiskey you get, Uncle Sam is constantly on the watch. We dare not take a gallon of our own whiskey from our own warehouse unless he says it's all right. And when he does say so, that whiskey goes direct to you, with all its original strength, richness and flavor, carrying a UNITED STATES REGISTERED DISTILLER'S GUARANTEE OF PURITY AND AGE, and saving the dealer's enormous profits. That's why HAYNER WHISKEY is the best for medicinal purposes. That's why it is preferred for other uses. That's why we have over a quarter of a million satisfied customers. That's why YOU should try it. Your money back if you're not satisfied.

BLEEDING LUNGS

Cured by Dr. Bull's Cough Syrup, the old reliable cough cure.

Wm. H. Breder, of Christie street, New York City, writes: "I have had a cough ever since my childhood. It was so bad that blood would spurt from my nose, which would leave me weak, so that I was often compelled to leave my work. Started to take Dr. Bull's Cough Syrup

and before the third bottle was finished my cough was entirely gone."

Dr. John W. Bull, who discovered Dr. Bull's Cough Syrup 50 years ago, was the most successful doctor for all throat and lung diseases the world has ever known. No other doctor has ever been able to devise a better formula. There is no case of throat or lung trouble which Dr. Bull's Cough Syrup will not cure.
